Dear Blair and Members of the Justice and Servant Ministries Committee;

Thank you so much for your recent financial support and for the opportunity to join you once again as partners at Margaret and Maurice for the Summer Barbecues and ArtHouse Workshops. Judging by the photos below, all is going very well. And with what seems like a significant increase in younger families, we are very hopeful that we can continue beyond the summer and get back to full year programming.

As you know, our goal is to provide consistent programming with strong role-model relationships. ArtHouse is often the child's only extra-curricular activity and we remain one of the only organizations of its type that offers this type of programming in Halton. We also believe Covid 19 has created one of the strongest cases for the Arts that society has seen in decades. Our teens have perhaps suffered the most over the past two years – we are working with them, and believe there are brighter days ahead. Our exciting programming will include instructional expertise in technology, cooking, the environment and of course the arts. We are determined to help our young people plan their futures in anticipation of a fast changing and exciting 21st century.

Thank you again. We love what we do!

Best regards,

Don Pangman
 Founder and Executive Director
